

SILVERTRACK LLC  
UAE | INDIA

Silver Track LLC commenced its operation in the year 2016, offering technical solutions to our international partners within the energy sector.

We provide tailor-made solutions in different verticals to help our clients grow and thrive in the international market. For over a decade, we have helped them become more productive and secure through our innovative service and state-of-the-art technology. Our highly dedicated, trained, and qualified professionals provide a comprehensive range of services using a strategic and more focused approach. Safety and Quality are at the heart of what we do that helped us to showcase our presence in countries. We focus on maintaining the international regulations and industry standards, that make us your trusted partner in inspection anywhere around the world.

## OUR VISION

To expand our global reach while continually improve, evolve and deliver excellent value-added services.

## OUR MISSION

To be a world-class Quality & HSE compliant inspection & technical service provider, offering a comprehensive portfolio of productive, innovative & value-added solutions for the varied

Accredited  
Independent  
Inspection Body  
(ISO IEC 17020:2010)

## RELIABILITY

We understand the principles to improve the safety and reliability of your products or assets.

## COMMITMENT

We give you peace of mind by taking the right steps, looking to your challenges through your eyes.

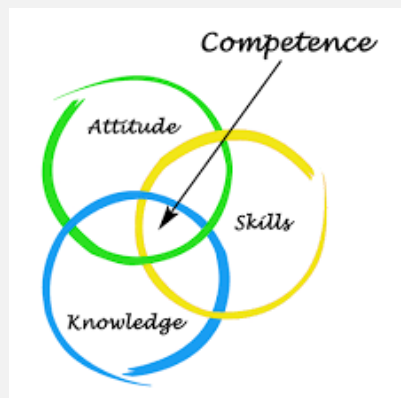

## QUALITY

We consistently achieve higher performance rating in every work we do by adhering to quality management standards,

## INNOVATION

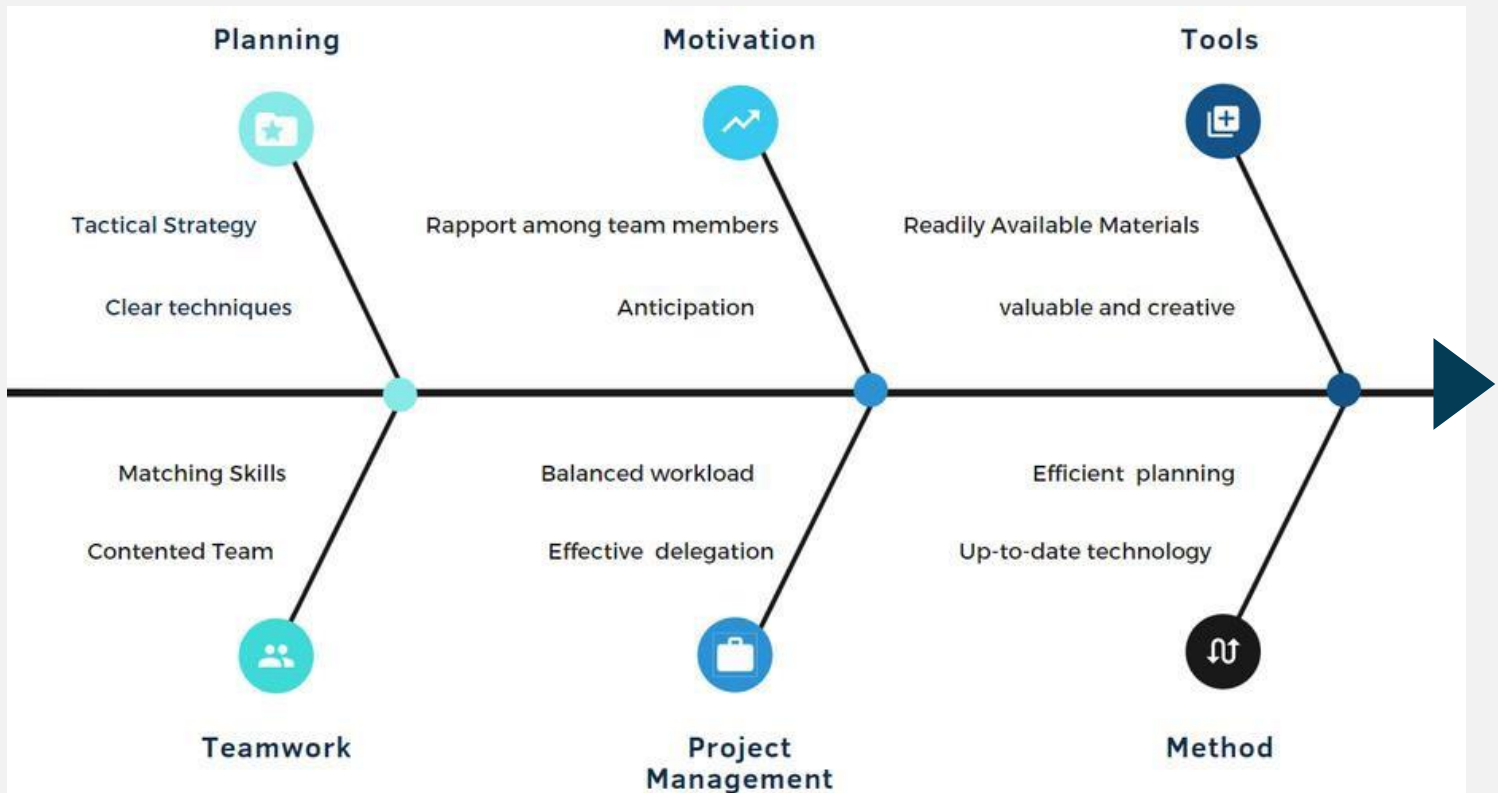

Our on-site engineers embrace the changes in technology to do the job more effectively.

99%  
CUSTOMER  
SATISFACTION

# WHAT SETS US APART?

## Operation Cycle

### 01 Job Enquiry

Understand your needs and goals

### 02 Proposal

Propose right candidate at the right place depending on your requirements

### 03 Order Review

Ensure all documents are received as per the clients order

### 04 Order Execution

Assign qualified inspector and execute inspection

### 05 Exit Call

Mandatory exit call in case of non-conformities or deviations

### 06 Report Submission

Technical review and on-time submission of report

ESTABLISHED IN 2016 AS SILVER TRACK LLC INSPECTION IN UNITED ARAB EMIRATES TO MANAGE THE INSPECTION, TESTING AND CERTIFICATIONS NEEDS, AND CONTINUING INTO WHAT IT IS TODAY DEEPENING OVER TIME INTO A COMMITMENT TO MAKE A LASTING DIFFERENCE IN THE INDUSTRY SECTOR

MILESTONE

**2016**

SILVER TRACK LLC Inspection established to serve the inspection needs of the industry in the eastern city of United Arab Emirates
